Since they live a bit outside of Helsinki, both have to leave early in the morning to go to school. His favorite subjects at school are English and Sports. He is very fond of projects in school since he is a very creative youngster.

Also at home he is persevering in crafting things. While reading Harry Potter in English, he decided to craft a magic wand for himself, with sparkling lights when waved properly. With the help of his parents, a technical engineer and a lawyer, he managed to create his own wand.
